"The entire Church cannot give to God as much honor, nor obtain so many graces, as a single priest by celebrating a single Mass"
-St. Cyril of Alexandria

The Holy Sacrifice of the Mass, the One Eternal Divine Liturgy and Worship, the Sacrifice of Our Lord Jesus Christ on Calvary as a Propitiatory, Latria, Eucharistic and Impetratory Sacrifice for the remission of sins.

The Shrine of the Immaculate Conception in St. Joseph Missouri has become a National Pro-Life Shrine, dedicated to offering the Holy Sacrifice of the Mass for the end of the abortion holocaust and in atonement for each baby murdered and for the conversion of their parents.

The Mission of the Shrine of the Immaculate Conception is to bring all mankind to the Throne of God's Infinite Mercy by authentic repentance and conversion! Our Lord Jesus Christ says: "Bring to Me all mankind, especially all sinners, and immerse them in the ocean of My mercy!"

"For Christian morality and behavior to be reestablished, the Truths of the Holy Roman Catholic Church need to be implanted in the minds of all people. Christianity consists in knowing and recognizing what we have lost in Adam and what we have received from Our Lord Jesus Christ. The doctrine of original sin and its consequences, on one hand and the grace received through the sacramental life of the Church to counteract these vices and seven deadly sins inherited from our ancestors, on the other. Please join us this October 7!"
